

44th LAKE TAHOE EQUINE CONFERENCE

JANUARY 23-27, 2023

Hyatt Lake Tahoe, Incline Village, Nevada

This conference will provide in-depth presentations on:

- Equine asthma
- Lameness diagnosis
- Medical advancements including dermatology, gastric ulcers, molecular diagnostics and insulin testing
- Dentistry
- Practice management

Presentations by seven outstanding speakers will provide you with up-to-date practical clinical information.

All presenters will provide summary results with an emphasis on application for the equine practitioner.

This course is APPROVED for 20 hours of continuing education credit in jurisdictions that recognize AAVSB's RACE approval.

The Monday and Wednesday social programs will provide valuable networking with practitioners sharing their experiences. The interval between the morning and evening sessions allow participants the opportunity to enjoy the beautiful Lake Tahoe area. Downhill and cross-country skiing, snowboarding, snowmobiling and hiking are some of the activities available. Others may choose to just relax in one of the most beautiful mountainous areas in the world or to enjoy the various Lake Tahoe attractions or the pool and spa. Participants are encouraged to bring their family and friends.

CLIMATE & CLOTHING: Alpine weather conditions prevail, resulting in sharp differences between daytime and nighttime temperatures. Casual and informal attire is appropriate for daytime and evening dress.

HOUSING AND TRANSPORTATION: A block of rooms has been reserved at the Hyatt Lake Tahoe. **These rooms will be held until January 5, 2023.** A reservation form is enclosed. Reno International Airport is 38 miles from the Hyatt Lake Tahoe and ground transportation reservations are available online or by calling the concierge at (775) 832-1234.

For more information contact: Sharon Spier, DVM, PhD, 8140 Olive School Lane, Winters, CA 95694.
